

Lynn Valley Garden Club Christmas Party

December 11, 2025 7:00-9:00 pm

For food, members should bring:

- a plate of sweets or savories to share
- a cup and plate

For our craft:

This year everyone is to create their own craft. It could be a floral arrangement, table centre or simple craft, preferably put together without a glue gun.

Craft tables will be set up with newspaper for table protection.

For donations:

Every year at the Christmas party we have a large food drive for the Harvest Project. Bring your donations of tinned or boxed food. Christmas related donations would be appreciated.

For the past several years we have also been donating to Sage House, a North Shore shelter for at-risk women and children. Sage House requests donations of toiletries, new undergarments, hats or mittens and Christmas related gifts for both women and children. Children's toys or books are always appreciated as well as gift certificates for coffee shops. From the donations Sage House puts together gift packages suited to each individual at the shelter so they do not require us to provide decorated boxes.

A special favour this year is to please bring an empty box to the party to help pack away these donations. Anyone who is willing to help take the donations to the Harvest Project and to Sage House, please offer to help at the party. Members parked close to the meeting room can bring in their boxes. If you are parked a distance from the Lawn Bowling Club, leave the box in your car and if we need it, then we would ask you to go get it.

All hands on deck! Please be on hand for set up and take down of tables and chairs and general clean up.

Thank You!
